

T & T Nexø Cookies

from Master Baker Karsten Mortensen, Nexø

As Master Baker Mortensen is very fond of cookies himself, he has become an expert at baking them. Quality ingredients, time-honoured recipes and respect for the craft are the hallmarks of each product he makes.

Nexø Cookies are available in several varieties, such as Bornholm Cookies and Raspberry Dreams.

These cookies are made by a master baker who bakes the daily bread for the people of Nexø - baked in the same oven as the cookies, by the way. In other words, these products embody something as unusual as genuine craftsmanship.
